The New JCAHO Hospital Standards: Their Effect on Respiratory Care

A Videotape from the Professor's Rounds
in Respiratory Care Videoconference Series

Featuring Nancy Telford, BS, RRT, Program Manager, Joint
Commission on Accreditation of Healthcare Organizations, with
Moderator Sam P. Giordano, MBA, RRT, AARC Executive Director

The new 1995 Accreditation Manual for Hospitals is now organized around functions that
impact patient outcomes, and the standards are now integrated into functional chapters rather
than a single chapter. Through this overview, you will learn about standards related to
competence programs, responsibilities of department leaders and medical directors, and expectations on performance improvement.

This video also reviews the interactive survey process and the role of department staff. **90 minutes. Item VC51 — \$275 (\$305 nonmembers)**

Please send me "The New JCAHO Hospital Standards: Their Effect on Respiratory Care." Item VC51 — \$275 (\$305 nonmembers)
